

KALAHARI SUMMER CAMP

DUDE RANCH IN AFRICA

We now offer *Summer Camps*

Yes, Kalahari Safari offers young men between ages 16-21 the chance to experience a working cattle and game ranch in the heart of Africa. Home to cattle, Quarter horses and plains game species like giraffe, zebra, kudu, oryx, eland and many other African animals, we have 45 000 acres to explore and play cowboy.

This is a summer camp of a different breed! If you want the young man in your life to experience the life of a cowboy, with some African flavour, this is the camp for him.

Our young cowboys not only brush up on their riding skills, but they also take care of the livestock, herding and roping cattle, spend a night camping under the African stars, experience the Kalahari savannah and African game species on horse back and develop friendships that last a lifetime. All this under the supervision of Janneman Brand, owner

and rancher of Kalahari Safari and Sakkie van der Merwe, owner of Bronco Quarter Horse Stud.

Our 10 day camp is fully inclusive and includes:

- 9 Nights Accommodation in a luxury lodge
- Three full meals, snacks and soft drinks
- Airport transfer to and from ranch
- Laundry
- Horseback riding
- Herding, branding, roping of cattle
- Photo safaris in the Kalahari savannah on horseback and in safari vehicle
- Target shooting
- Evening camp fires
- One night camping under the African stars
